

GAZEBO

CHECKLIST 10

Gazebo structures will require complete architectural drawings. If plans are approved, complete approval permits will be required from the City of Brentwood and/or Contra Costa County as needed.

- No work or grading or drainage shall be undertaken prior to approval.
- The character, scale, quality, architectural relationship with the site and other buildings, building materials, colors, screening, lighting and similar elements must be compatible with adjacent buildings.
- Plans and specification must conform to CC&R architectural rules, Rules of Summerset specifications in effect at the time.
- Please be aware that you are contracting to add a gazebo pursuant to approved plans. Any variation to those plans without approval may require removal and reapproval.*
