

Summerset I Brentwood Association ARC Application Checklist

LIGHTING (exterior)

CHECKLIST 14

Exterior lighting (with the exception of low voltage) will require complete electrical plans. If plans are approved, complete approval permits will be required from the City of Brentwood and/or Contra Costa County as needed.

-) No work or grading or drainage shall be undertaken prior to approval.
-) The character, scale, quality, architectural relationship with the site and other buildings, building materials, colors, lighting and similar elements must be compatible with adjacent buildings.
-) Plans and specification must conform to CC&R architectural rules, Rules of Summerset specifications in effect at the time.
-) **Please be aware that you are contracting to add a exterior lighting pursuant to approved plans. Any variation to those plans without approval may require removal and reapproval.***
